¹ Try to remember to run through your memory work

Dear Parents/guardians,

How are you coping? We pray that everyone is staying healthy and safe. We value all that you are doing to be Christ's person in the world for your children! On the back of this sheet you will find a layout of our Sunday School year!

In the packets are all the supplies you will need for the month. Please let us know if there is something missing.

This year some of our grades have been combined – P3-K, 1 & 2, 3 & 4, 5 & 6, and 7 & 8. If there are multiple grades meeting on Zoom, they will be in a “break out room”. 7 & 8th grade Sunday School study guides will be on our website. Our Zoom meetings will be tentatively at 9:45 am,(or 11:00 please stay tuned) codes and passwords will stay the same for each week, so please keep them handy 😊

There is an incentive program on our website, www.peacenewlenox.org so be sure to check that out! Kids can do their worksheets and different things throughout the week and earn some points! Those points will add up to PRIZES!!! Whoooot!

As always, things are apt to change. I appreciate everyone's patience while we try to break ground on our new way of Sunday School this year.

Please let us know if you have any questions or concerns. You can call us at the office 815-485-5327 or email us at peacechurch@peacenewlenox.org.

Blessings,
Miss Jess
