Vol. XXV, Issue 8

## ***Does God Watch Us All the Time?***

One of the questions from one of Peace's kids that is in our *Questions Kids Ask About God* book was "Does God watch us all the time?" The question might have been asked out of a fearful concern -- because then it would mean God is looking for bad behavior to add to a list already started. It could mean, however, one of gentle concern -- because then it would mean God wants to be on the lookout for us as a loving parent would do for a child.

*Omnipresence* is the technical word for God being around all the time is. While the word is descriptive, it does not do justice to what God is up to by being around all the time! God is not neutral in God's desire to be a part of our lives, nor is God interested in being judgmental. What God is interested in, as the second option above notes, is be present with and to and for us.

What does that look like in the real world? It certainly means being fully present alongside first responders and essential workers and scientists and others who are trying to figure out how to manage COVID-19. It means as all kinds of people are trying to figure out what to do about opening schools, we should look for God to lead us in what our priorities should be. It means if we will allow it, God can shape the discussions and disagreements about racial inequality and injustice in order to bring understanding. It means there is a peace available to all of us when we are feeling mentally exhausted. (Or as one of our Trailblazers put it, "God is everywhere....even at your wits end.")

I'm grateful God is watching us all the time, not to catch us being bad, but to fill us and all the world with God-inspired wholeness. (Perhaps looking for God all the time also from our end, might be a really smart way to live on a daily basis!)

*Pastor Dave Hedlin*

Saturday, Aug. 8, at 3:30 p.m., marks the next baptism orientation class for those who wish to have children baptized at Peace in the next few months.

## ***Drive-in and Online Worship Continue - see instructions below, too***

Please join us for Drive-in Worship at 5:00pm on Saturdays (with [Facebook live stream](#) of the worship) and another Drive-in Worship option on Sundays, at 9:45am. Our [Facebook page](#) and [YouTube Channel](#) sites will have the worship recorded and available anytime after Saturday's worship. (You do not need to have a Facebook account to access this public page.) There will be some great music from Todd and a hymn to which you can sing along (words included in the bulletin so be sure to **print out the words**) some liturgy, scripture readings, prayers and a sermon. Join in being together in God's name in your cars or electronically and share the worship post with others!

## ***New! Communion Option Added***

### **FOR EVERYONE**

\* We're asking all people to enter the parking lot through the south (bank-end) of the Atrium Point complex via Schoolhouse Rd. All will be asked to leave via Rt. 30. If you are doing the outdoor option, we would ask you to park anywhere to the northern half of the parking lot, out of the line of sight of the worship platform and walk to the grass area. For those doing the drive-in option, park facing the long sidewalk anywhere so you can see, and do the every-other-space routine, parking on the line. (Sedans in the row closest to the grass, and other sized vehicles starting in row 2.)

\* Whether you drive-in or are outdoors, or even at home, we are adding a **modified communion option**.

**Take a piece of bread or cracker with you to the service.** Pastor Dave will give the Words of Institution on behalf of all of us and invite us to take our bread/cracker at the same time and partake of this modified version of the Lord's Supper.

\* In order to keep people's safety in mind following the advice of the CDC and Illinois Department of Public Health, there will be a drop box if you wish to bring an offering with you. Otherwise, we will depend on people continuing to contribute online or by mail.

\* Bathrooms will be available, but people would be encouraged to use them only if necessary, and social distancing would be required. The doors to the bathrooms and the building itself would be left open to eliminate having to touch them, and for the sake of knowing what kind of distancing/waiting is needed. Masks are required.

### **ONE OPTION: OUTDOOR WORSHIP**

- \* Households would be required to socially distance from each other. We have markings in the grass for individuals/households about 10' apart.
- \* Those worshipping outdoors can choose whether to bring a blanket or their own chairs.
- \* Masks would be required when moving to or from the parking lot to the marked spots. (We will have spare masks if you don't have one or forget.)
- \* Children would have to be with an adult at all times.
- \* Worship leaders would be set up at the far west end of the long sidewalk (where all the grass is available between the main building and the garage) in front of the door to the education wing, facing the parking lot, which again allows those who choose the drive-in option to see.
- \* We will have sound projection/speakers for all to hear.
- \* The worship would continue to be modified so as to last about 30 to 40 minutes. There would be no ushers or greeters or other worship assistants. Worshipping outdoors will allow us to sing!
- \* In case of bad weather, the service would switch to a drive-in only format centered at the front entrance.

### **DRIVE-IN OPTION CONTINUES**

\* We have a low power FM transmitter, which allows us to have worship leaders be visible and heard in each person's car via their car radio or an old-fashioned radio. It will be on channel 89.3. You might be able to hear the outdoor loudspeakers, but we're not counting on that.

\* Park so you can see the worship leaders at the end of the long sidewalk, or in case of bad weather, back to the area by the main entrance.

### **ONLINE OPTION CONTINUES**

\* We will continue to live-stream our worship. We plan each week to record both Saturday and Sunday. Assuming everything works, both will be available through our Facebook site.

\* Why not move indoors? For one thing, we wouldn't be able to sing. For another, we would have to take reservations to limit the number, which means some might be excluded. Also, there would be many more restrictions and a lot more cleaning to do between/after services. Furthermore, the CDC's guidelines still recommend outdoor worship whenever possible. The history of re-openings in other states makes this issue even more current.

If you have any questions or concerns, please contact Pastor Dave!

## ***Thank You Very Much!***

*The list that follows is for those who have done something for the first time. (If we miss someone, please let us know!) We are thankful for all the people who give of themselves to make ministry happen, even though their names don't keep getting mentioned here.*

## ***Offering Envelope Boxes & Devotional Booklet Options***

Option A: We have some volunteers who are willing to bring your offering envelope box to you even ahead of when we can worship together and pick them up ourselves. Those same people are willing to bring you a devotional booklet. Let us know via [peacechurch@peacenewlenox.org](mailto:peacechurch@peacenewlenox.org).

Option B: We put a second bin outside the front door labeled “devotional booklets” and you can come by the church and pick one up at your convenience. If we know you wanted your offering box that way, we'll also put any such requests in there with your name on the offering box. (Just give us at least two days notice.)

Option C: Just wait until we are together. You can either donate online or mail in your offering (PO Box 205, New Lenox, IL 60451). If you know your envelope #, write that on the check. If you don't, we'll gratefully look it up so that you get credit! We will have the boxes available outside (weather permitting) for the outdoor worship services.

No matter how: thanks for your offerings!

## ***Lawn Mowing***

If you'd like a turn to mow this year, please email the office and we will put you on the schedule. Most of the time you can pick whether to mow on Friday or Saturday. Most mowers took between 1 to 1.5 hours.

## ***Because of You and Your Gifts***

Kapinga Eudoxi was saddened by all the sickness in her village — typhoid, malaria, diarrhea. These diseases are mostly preventable, but in Kapinga's village in the Democratic Republic of Congo, they were often deadly. She recalls how frequently her children, friends and neighbors had to be hooked up to IVs, and she remembers the names of so many who died too young; the cause really was just because they were poor and lacked clean water. When your love reached her village with the gift of clean water through Lutheran World Relief, so many things changed. Kapinga and her neighbors no longer had to walk long distances to carry clean water home to their families. They began washing their hands with soap and water before they ate and after using the latrine. They stopped getting sick as frequently. Clean water was literally a gift of life for Kapinga's village.

## ***Caregiver Tip of the Month***

It's just a normal day in the neighborhood until you come home to find a wrapped take out hotdog sitting on the top rack of the kitchen sink. "HmMMM?" you say to yourself. Then you mosey on into your office to pay some bills and find they have been doubled paid. Now you need to sit down and resolve that. Next you find a single pill on the kitchen table where the daily pill box is organized. "HmMMM?" you say to yourself again. This IS a normal day for you when you are a caregiver. And that is just the beginning.... (For more information about being a caregiver and other related topics - see our display in the narthex.)

## ***From Deacon Shari Trotter***

Dear Peace Members and Friends,

Right now, in our country there are so many people asking questions about what we should do with our children. Should they go to school in person? Should they do remote learning? Could there be a combination of the two? We here at Peace are asking a lot of the same questions.

These are such hard decisions to make because we have not only the wellbeing of the children in mind but also the wellbeing of all the adults and the future health of our children and youth ministries. However, we are finding the same sentiment, "Let the little children lead you" to be truer now more than ever.

For VBS this year we opted to do a two-day event, outside, at which we would create some tie-dye projects together. A lot of thought went in to how to keep everyone safe and we set it up in a station format so that no more than one family would be at a station at one time. The children amazed me! They showed up at their appointed time and they were ready to go! There was no complaining about having to wear mask. Not one time did I hear a child say anything about the irritation of having this piece of fabric on their face. Instead, they went through each station with great joy. The ability to be together and to share in God's love was enough.

At each station they completed a different part of their tie-dye project. They came to a station where Pastor Dave, Vicar Mike and I taught them a lesson about how God's love is working in the world right now, in the midst of this pandemic and then we sang a song together about how God's love is a banner that goes with us everywhere. Our children sang with masks on! They put rubber bands on their shirts and spread tie-dye with masks on. At one point I encouraged one of our children to come a little closer and her response humbled me, "No Deacon Shari I don't want you to get sick, I can sing right here".

It never stops surprising me the wisdom and compassion of our children. It is true that there is not a good answer for school or Sunday School this upcoming year. However, whatever the best we can do is, we should follow the example of our children. I have no doubt that their concern will be for those around them. I have no doubt that their joy will be present in the hardest of days. May we each be humbled by their faithful witness and follow them in the way of God's love.

God's Peace,

***Deacon Shari Trotter***

## ***Faith Development/Education***

### ***Everybody Read***

Our desire to have people read a common Bible passage is part of our Book of Faith effort. Each month we'll pick a passage, invite everyone to read it sometime that month, and then those who are willing, write a sentence or two (or more if you'd like) about what you got out of the passage. August's passage is: Philippians 2:1-11

### ***Wednesday Bible Study - Now both in person and on-line***

Each Wednesday for many weeks now, people have been joining our Bible Study through the wonders of Zoom! We offer both an in-person version and the continuation of the online method. For those using the online version for the first time, let us know via the church's email so we can send you the meeting ID and password. We meet on Wednesday mornings at 10:00 a.m. Any version of the Bible you have will work. You don't need to know anything about the Bible to join this class! For those who will be coming to the in-person version, we will have some requirements for distancing, etc. Be sure to let us know if you plan to come to the in-person version.

### ***Peace Page Turners – Sun., Aug. 23***

Our next combination Zoom and in-person meeting is scheduled for Aug. 23, at 10:45a.m. The in-person will be separated safely (plus wear a mask while moving to and from.) We will discuss *Educated* by Tara Westover. It is a fascinating book about how she overcame an abusive family and all she has learned along the way. If you are using Zoom, be sure to let us know so we can get the codes to you. If you have any questions, please contact the church office. (There might be some copies of the book still available at church.)

### ***Want Special Prayers?***

Because we aren't together in worship, you maybe would like opportunities to have prayers for specific people. Please feel free to share those via our email [peacechurch@peacenewlenox.org](mailto:peacechurch@peacenewlenox.org) or call the office.

All the new landscaping we installed last year is looking great! ## ***Looking for a Job? Have a Job to Hire?***

If you or someone you know is looking for a job, we are creating a list of sites online you can use to help you. And if you have a job offer needing to be filled, let us know that, too, so we can share any names we get of people looking for work.
