## ***Better Than Alchemy***

In the Middle Ages, there was a pseudoscientific movement that sought to turn other objects into gold. It was called alchemy. Many different people were feverishly working to find the secret for the transformation. The experimentation was real, and in a sense helpful to future scientific endeavors. But the results were always a failure in terms of the transformation. It couldn't be done.

Today's version of alchemy does not involve a precious metal. Today's version is that we can manufacture happiness. Our society keeps thinking that we can turn success or grades or money or the number of friends we have or pleasure or our brain power or our authority into something grand, which will in turn lead to happiness. Just like the alchemists, sometimes we think we're really on to something and that "this" is the key – only to be disappointed when it fades (if it got close to the goal at all.)

As the people of God, we have been given something better than alchemy. We have been given a perspective that acknowledges everything we have and everything we can become is a gift. If we want to be content in life (better than just happy), we can come to learn that one of the keys is to be grateful. For all our abilities and successes, instead of pretending we alone made them happen, we acknowledge how many different people and circumstances and natural gifts it took to get there. When that happens, gratitude happens. When we keep doing that consistently, sooner or later an inner peace (contentment) can become a real presence (another God-directed gift.) It even helps us accept our limitations.

We do not need to be grateful for disease or death or hardships or difficulties of any kind. But even then, God can help us find ways to see that we're not facing those things alone, that we have resources and strengths to meet the challenge, that whatever has come is not the last word.

Thanksgiving will be here before we know it. It is a natural time to reflect on life. Each time we direct our attention to God's sustaining and abundant generosity (frequently made known through others), even as we deal with the "real world," we can be transformed. There is no alchemy involved. Gratitude transforms lives.

*Pastor Dave Hedlin*

## ***Thanksgiving & Christmas Offerings***

Each year the money we receive in our Thanksgiving and Christmas special envelopes is given away to others. This year it will be divided between the ELCA's Hunger Appeal (which includes direct help for the victims of the floods, earthquakes, and other disasters), Lutheran Social Services of Illinois (the agency of our church that serves so many people in need, especially as state funding is so short), mission churches (Santa Cruz in Joliet and Resurrection in Channahon – Pastor Ben's church), and local ministries that help others (Groundwork, Daybreak, Trinity Services, and Morningstar Mission.)

## ***Thinking about Christmas Gifts?***

Give your loved one a goat. What!? Through the ELCA's Good Gifts, you can find all kinds of alternative Christmas giving ideas. In short, someone who needs something, such as livestock, receives the actual animal, and your loved one knows that his or her gift is helping someone in need. Check out these and many other good gifts at <https://community.elca.org/elcagoodgifts>.

## ***Christmas Gift Giving for Santa Cruz & Augustana Center***

Each year we put up a tree with Christmas gift giving tags for people who could use our help to have a better Christmas. This year we again are going to support Santa Cruz's efforts to make that happen for people in their neighborhood and congregation, and for Augustana Center, which cares for kids without parents. Look for the tags towards the middle/end of November, with a return date of Dec. 3.

## ***From Deacon Shari Trotter***

Dear Members and friends of Peace,  
This past month I have had the privilege to attend several sporting events. The tickets were very inexpensive, and the crowds were rowdy. However, the best part was the athletes! I got to see our very own Trevor Salutric play a rousing game of volleyball at Homer Middle School. I then had the joy of watching Kayla Chiappetti win second place in her English equestrian class at the Nova Quarter Horse Equestrian Center. To round the month off I attended a girl's basketball game at Liberty Middle School starring the amazing Kate Massey! All three events were different but all three had something in common. Our youth were enthusiastic, gave 100%, and were incredibly grateful for the opportunity. I highly recommend seeing these athletes at their craft. I thought I hated basketball but watching Kate's team, the underdogs, beat the number 1 team and join the girls in their shocked excitement and emotional celebration was worth every single moment! We have a lot to be proud of here at Peace. We have great youth who not only love God and are excited to learn about their faith but who also live it each and every day in their work and in their play. I will attend as many events as I am invited to! You are welcome to join me. How fun to look in the stands and see members of your church cheering you on. Imagine what that would have meant to you as a youth. So, take me out to the ball game, serve me a side of fun, trot alongside me for the adventure, and score an amazing opportunity to see the gifts of God in action.

God's Peace,

*Deacon Shari*

## ***Peace Office Welcomes Jess Lindeman***

Jess will be in the office on Tuesdays, Wednesdays & Thursdays.

So, if you'd like to volunteer, talk to Todd, pick out your music and get that to him by **Dec. 1**.

### ***Coat Drive for People in Need***

*One Warm Coat* is a community service effort assisting in the collection of clean, reusable coats and jackets for donation to local individuals free of charge. Peace Church is following in its mission to give away coats to people of all ages. Our Altar Guild helps with this, and invites you to help those in need with good warm coats. Items can be dropped off here at church. Scarfs, hats, gloves/mittens and boots will also be accepted. Thank you for your continued support!

### ***Gift/Vendor Fair to Support Charities – Dec. 2***

In the spirit of giving, a gift/craft/vendor fair will be held on Saturday, Dec. 2, from 9:00 a.m. – 2:00 p.m. here at Peace. There should be all kinds of ideas to aid in your holiday shopping, and at the same time support charitable causes. (Each vendor will designate a portion of their sales to a designated cause. For example, our *Questions Kids Ask About God* team will be there with our designation of Lutheran World Relief and Feed My Starving Children.) There will also be a blood drive from 9:00 a.m. – 1:00 p.m. for anyone who would like to donate. For vendor information call Joanne Webb (815) 603-2235.

## ***God's Work in Action***

As one of this year's goals in our Long-Range Plan, we want to highlight at least 10 people from church who are volunteering outside of Peace. God's work gets done by you in so many different ways; we want to celebrate how you take your gifts from God and apply them! This month's contribution is from George Huffman.

One of the important pieces of my life, besides Peace Church, has been my involvement with the Lions Club of Manhattan. I have been a part of that organization for 22 years, even serving as President. The satisfaction I have gotten in helping people has been worth the effort. Many of you have seen and contributed to our eye glass campaign to provide not only eye glasses to those who need them, but also eye exams – even paying for them when needed. Our club also collected hearing aids in a similar manner. Locally, we have provided scholarships for high school kids at Peotone, Lincoln-Way, and or Providence. We have provided funding and support for the handicapped.

Our monthly meetings were at a local restaurant and we always looked forward to them because there was a good group of people, and our mission made a difference. Our organization is world-wide and has both men and women. (My wife, Priscilla, also was active and served as an officer.) While our own Manhattan group is now being disbanded, the efforts of other Lions Clubs will continue. I'm very glad for how God's call to serve led me to be a part of this group.

## ***The Hope Fund***

If your child(ren) would like to participate in a youth event but the cost involved is keeping him/her/them from joining us, we have a fund available to help you. The Hope Fund has been established through the generous donation of a Peace Lutheran Church family. Just talk to Deacon Shari or Pastor Dave – and no one else will know.

## ***Technology/Social Media Task Force***

Computers are all installed and working. Comcast has now installed high speed internet and pre-work continues to be done for a redesigned website. We are evaluating a networking copier. We have ideas for the youth rooms and their use of technology, and more!

## ***Caregiver Tip of the Month***

With the Fall season here, change is upon us and here we are again cleaning out the house, switching from warm weather clothes to cold protector clothes, getting the car tuned up, checking that all the utilities and appliances are working as they should, scheduling health check-ups, and so the list goes on. Seems overwhelming sometimes and never ending especially when your list is for TWO or more. Don't worry. Call on the helpers and those who care because they really do want to help. As each "to-do" is checked off your list, each day will feel lighter and refreshing; at least for today. (*For more information about being a caregiver and other related topics - see our display in the narthex and don't forget to borrow a book from the bin.*)

## ***Because of You and Your Gifts***

Gustavo is a grandfather and coffee farmer in Nicaragua. He has to overcome enormous obstacles to make a living because of threats to his harvest from plant diseases, unstable weather patterns and middlemen who seek to benefit from his hard work. You've helped change Gustavo's life and the lives of other farmers in his cooperative. Now he gets a better price for his coffee. Selling through the Fair Trade Co-op means they can skip middlemen and bargain for a better price. Gustavo is so relieved when a good harvest means he can feed his family. (We buy our coffee for church from Lutheran World Relief's Fair Trade Co-op!)

## ***Blood Drive – Dec. 2***

Thank you to everyone who donated in October. Our next Heartland blood drive will be Dec. 2, from 9:00 a.m. until 1:00 p.m. There will also be a vendor fair the same day if you would like to do some Christmas shopping after you donate.

## ***Babysitting List***

The new Babysitting list is now available. You can pick up a copy on the table in the entrance area at church.

## ***Remember Our P.O. Box***

Use P.O. Box 205 for mail addressed to Peace.

## ***Discussion Starters for Families***

Search Institute has identified five essential actions in Parent-child relationships that help children and teens grow up well. Here is one of the discussion-starter questions that can help you talk with your children and teens about different parts of your relationship. The goal is not to get the right answer, but to share each person's experiences, feelings, and beliefs so you get to know each other better. Ask these questions when people are not rushed or distracted. Start with just one question. Then try others as long as people are interested and available. Have fun discovering new things about each other and your family and watch the newsletter for more discussion-starter questions.

Express Care: Different families express care in different ways. How do your family memories see each other expressing care?

Use these discussion starters to talk about it together.

- When are times you've felt close as a family? Where were you? What were you doing? What made that time memorable?
- What sacrifices have others made for your or your family? How have those sacrifices or investments affected your life?
- What's something you really enjoy doing together as a family that you haven't had a chance to do lately? What do you enjoy about it?
