

CONFIRMATION SERVICE HOURS REPORT

The goal is to have teens do some hands-on projects to help others outside of their own house. There is no limit to what will be acceptable. Send cards to people who are shut-in, bake something for a neighbor or grandparent or someone else, rake an elderly person's leaves, clean up the street or a park or trail, etc!!!!

We are asking each confirmand to give 4 hours in the course of the year. You can split the hours as much as you want. We would hope for a report once a quarter from each until the four hours are done. You don't need to stop at 4, of course!!!
